Today at school the bully struck again and I still don't know whether to tell or not.

I don't know if I should continue being the hopeless bystander or be a righteous hero for that poor little girl, Amanda but also be a snitch....either way I had a dilemma.

So I did.

Noah why don't you weigh up your options?

Well on one hand if I told I would be a self righteous hero for that poor little girl and feel jubilation and contentment.

Although Noah you could also become a victim of his torture and manipulation and that would not be good.
NOAH'S DILEMMA

BY Gina
ON THE OTHER HAND IF I DON'T TELL AND BE THE HELPLESS Bystander and feel guilty and dreadful inside but also save myself from an eternity of torture and bullying throughout my schooling.

IF YOU FEEL THAT HEAVY HEARTED FOR HER THEN MAYBE YOU SHOULD TELL BUT THE CHOICE IS COMPLETELY UP TO YOU I CAN'T MAKE IT FOR YOU.

IF MY PARENTS FOUND OUT I DID NOT TELL THEY WOULD BE DISAPPOINTED AND THEY WOULD SAY "I THOUGHT WE RAISED YOU BETTER THAN THAT AND GAVE YOU BETTER MORALS" THEY WOULD ALSO DEPREVE MY BEHAVIOUR.

SO WHAT DID YOU DECIDE TO DO?

HOW COULD HE BE SO COWARDLY NOAH IS normally such a selfless and virtuous person I'M DUMBFOUNDED AND DISHEARTENED WHY HE DIDN'T DO THE MORAL THING.

NOTHING.
THE TEACHER CAUGHT THE BULLY TEASING AND TORMENTING AMANDA AFTER SCHOOL

I FELT A SENSE OF JOY FILLED INSIDE AND THAT JUSTICE WAS SERVED BY CATCHING THE BULLY BUT I STILL THINK I SHOULD HAVE TOLD ON HIM

YOU STILL WON THE DILEMMA MORALLY BECAUSE JUST CONCRETING THE PROBLEM WAS A MORAL WIN AND HE ENDED UP GETTING IN TROUBLE

YOUR IN BIG TROUBLE MR!!!!!!!!!!!
